18. CHECK OUT the Children's Corner in the Library. In honor of Mothers' Day coming up, books on mothers are featured on top of the bookcases.

19. CHECK OUT THE FLAGS in the field and grass at the south end of the church. The red flags mark how long (450') and wide (75') Noah built the ark. The ark was also 5 stories high (as high as Fulton County Health Center). All three North Clinton Christian Preschool classes came together to present Noah's story to their families last Friday evening.

20. IN AN EFFORT to care well for you and our pastors, we have a calling system that helps guarantee that a pastor is always available in the event of an after-hours emergency. There will always be a pastor on call for crises situations. To reach the on-call pastor, simply dial the church number and extension 9. This will allow the emergency number to always be the same and it will give some flexibility to our pastors. We are thankful for this opportunity and hope it can help us serve each other well.

21. STAYING CONNECTED just got easier! North Clinton uses an automated system, One Call Now, to communicate prayer requests, updates, and emergencies. We now have a NEW option to receive these messages by text. You now have the choice to receive messages by email, phone call, or text message. You will not be able to receive both a phone call and a text message. One or the other may be chosen. Please note that message and data rates may apply, and you'll need to opt-in to begin receiving messages. To opt-in send @NCtext to 22300. Sign up on the tearoff through the month of May or contact the church office to choose how you'd like to receive messages.

22. PLACE YOUR REQUEST for use of church facilities and equipment for ministry or personal events through the Church Office. This includes use of rooms, tables, chairs, and all moveable equipment. To give priority to ministry events, personal events will not be scheduled more than six weeks in advance of the date.

23. CHECK OUT www.northclinton.org to access sermon videos, staff photos and email links, North Clinton mission statement, Sunday class options, Nursery hours and policies, Library catalog, prayer request form, link to online giving, weekly bulletin and monthly newsletter as well as a calendar of upcoming events. Also, like North Clinton Church on Facebook and follow on Instagram for updates throughout the week.

If you missed the April food drive, donations can be placed in the FISH hamper under the literature boxes anytime. THANK YOU!"
